

## **Spring Seminar Tuesday April 13, 2010**

The Association for Bridge Construction and Design would like to welcome everyone to attend our **FHWA One-Day Seminar on High Performance Concrete and High Performance Steel Technologies!** This seminar seeks to be approved for **8-PDH Credits. Eight PDH's!** We have lined up 13 speakers to provide state of the art information on both of these HP topics. This promises to be an action packed event. Members, Non-Members, Potential New Members, are all invited.
