Western New York Chapter
of the
ASSOCIATION FOR
BRIDGE CONSTRUCTION AND DESIGN
www.abcdwny.org

PURPOSE OF THE ASSOCIATION

Further educate bridge designers, constructors, Federal, State, and local officials, and the general public in the vital role of bridges in our society.

Improve and encourage the science of bridge design, construction, maintenance, and reconstruction by providing a forum for members to exchange and develop new ideas and techniques.

Provide technical information and assistance to various public and private authorities for bridge programs.

Further educate and encourage public and private authorities in new and improved techniques for testing and reconstruction of bridge structures to promote the public welfare.

Our goal is to bring together all individuals whose professions concern bridges, including:

- | | |
|----------------|----------------------|
| * Owners | * Maintainers |
| * Constructors | * Material Suppliers |
| * Designers | * Educators |

and anyone interested in a forum for the exchange of ideas and information on bridges.

Membership

Anyone wishing to become an individual member shall submit an application accompanied by payment for annual dues (currently \$35) or any firm wishing to become a corporate member shall submit an application accompanied by payment for annual dues (currently \$175) which includes two individual memberships and student membership (\$10.00 per year).
